This club is dedicated to promoting social inclusion through shared sports and game experiences. It was inspired by a simple principle that playing together is a quick path to friendship and understanding.

Unified Sports Young Athletes Club involves inclusive sports and game play that teaches skills like balance, jumping, throwing, catching, and kicking, as well as learning social skills such as taking turns and playing with a teammate. The foundational skills of strength, flexibility, and body awareness will also be promoted. Our Young Athletes will be encouraged to celebrate and demonstrate their skills while having fun, forming new friendships, and building self-confidence.

The club will meet twice a week for 10 weeks on Wednesday and Thursday mornings. Students will be dropped off at the main entrance of Dickerson School at 7:40am and met by Ms. Kozlowski, the club facilitator. Doors will close at 7:45, so please be prompt. The club will utilize the Dickerson School gymnasium and outdoor space for activities. Students will be dismissed to homerooms at 8:30am. *This club is limited to no more than 16 students to allow for maximum student participation and safe play.*
