

# BLACK RIVER MIDDLE SCHOOL

PRINCIPAL ANDREW T. WHITE

Dear Parents and Students:

As we begin the new school year, it is important that parents, students, faculty, and administrators work together to promote an atmosphere of learning and growth. Therefore, the school operates in accordance with the *Black River Middle School Guidelines*. A hard copy of the document is located at the front of your child's school agenda planner, or you can access the information online at: <https://www.chester-nj.org/domain/128>. The guidelines were developed to assist students with proper conduct and to outline important procedures for the entire school community. Our goal is to encourage students to be responsible and successful both in their academic endeavors and social development.

We ask that parents and students thoroughly review the guidelines and then **sign and return the form below** to advise us that you have done so. Please return the form no later than **Friday, September 6.**

We encourage you to refer to this important document throughout the year. Again, you're encouraged to access it online at: <https://www.chester-nj.org/domain/128> or to review the hard copy located in the front of your child's agenda planner. Thank you for your cooperation and assistance, and I look forward to a successful school year!

Sincerely,  
Andrew T. White  
Principal
