Dear Parents and Guardians,

The first week of October has been designated as The Week of Respect by the New Jersey State Legislature. The bill came about in light of the tragic events that have taken place in far too many youths' lives regarding bullying experiences. As educators, we are increasing our message to end bullying and to respect others in an effort to raise awareness and combat the effects bullying has on children, both long and short term.

During the week of October 3rd-7th students in all grade levels will be participating in activities that focus on respect, bully prevention and ways to build our community. In an effort to exemplify the term unity, we are asking the students to participate in a Spirit Day each day during The Week of Respect. Please see the list of the daily themes for that week (October 3rd-7th).

We appreciate your anticipated support in reminding your child(ren) to come to school prepared to take part in our celebration. The spirit days are listed below. If you have any questions, please feel free to contact us.

Sincerely,

Karen Andolina & Heather Hoffman
