

Chester Library Community Listening Sessions

Chester Library is developing a new long-range plan which will guide library programs and services for the next three years. Join us to share your views on how the library can best support the community! The session will be led by an outside facilitator who will ask the group a series of questions about how you use the library now, what you'd like to see offered in the future, and how the library can remain at the heart of our community.
