# Destination Imagination

## 2019/2020

Do you like to act, build, and solve problems? Did you ever wish you could work on a project with a group of friends that combined thinking, creativity, and fun? Would you like to complete a task that combines the creativity of Steven Spielberg, the genius of Albert Einstein, and ingenuity of Thomas Edison? That is what Destination Imagination allows you to do.

Destination Imagination is a worldwide competition in which student teams contend against one another. A team of no more than 7 members gets together with their coach and spends several months trying to solve a problem. They then present their solution at the state finals held in the spring. Over the past 15 years, several teams from Chester have won the state championship and have gone on to compete at the world finals held in Kansas City, Missouri. You form the teams. You create the solutions! The kickoff meeting will be held on Friday, October, 4<sup>th</sup> from 2:30 to 3:30 in Mr. Gray's room. (Room 26)

Remember that there will be a \$25.00 fee for participation in the club. \*one-time fee covers student's participation in all clubs held throughout the year\*

What you need to compete:

- 1) A team of no more than 7 people.
- 2) A team coach (a parent who is willing to run your team and is available on Saturday March, 28<sup>th</sup> 2020.)
- 3) An appraiser (An adult, other than your coach who is available on one Saturday for mandatory training) (2/22/20), and can be there on the day of the actual event.

To see a list of the challenges for 2019/2020 go to [www.destinationimagination.org](http://www.destinationimagination.org). Please write the names of your team members as well as the coach's name and phone number below. When completed, submit the forms to room 26. If you have any questions, please contact Mr. Gray. (room 26)
