About The Camp

The Chester Basketball Camp is all about teaching fundamentals designed to develop the camper's skill in every area of play and learn the proper way to play the game. To be a successful player at the HS and College level a player must be able to dribble, pass and shoot the basketball. They must also learn to play hard and develop an understanding of the game. The full day camp includes 6-8 teaching stations and a variety of competitive games where teamwork is emphasized. Players of all ability levels will be challenged, and a basic enjoyment of the game will be the theme throughout the week. We expect campers to learn a great deal about the game of basketball and have lots of fun at the same time! There are many bigger name summer basketball camps, but I guarantee you will not find a better day camp for players of this age anywhere!
