

Bragg School's

April 2016 News

Please Remember!

If your child is absent for any reason, please call our absentee line and report their absence prior to 9:00. We call homes for all students not accounted for to be sure of their safety, so your call to us is truly helpful.

If you know ahead of time about an absence, such as Take Our Daughters and Sons to Work Day, please let the teacher know!

Did you know...

Classes in Chester's
EXPLORE AND SOAR

Summer Enrichment Program

are filling up! Check the website, a link is on the Chester-nj.org website, or scan the QR Code found below.

There are MANY interesting and exciting opportunities for children AND adults!

Have you ever wondered...

what a Maker-Space is?

Bragg School's Maker-Space is a highly interactive, creative and always evolving area in Mrs. Mueller's classroom where students are invited to sign up for recess exploration. They are asked to create something – anything! – with the plethora of materials available. The students plan, execute, adjust, and modify until they are satisfied with their final project. Close to 50% of Bragg Students have participated – has your child?

Just a Note:

With Spring upon us, you may notice that some of your child's winter clothing is missing.

PLEASE check our Lost and Found!

Many coats and sweatshirts have been with us for a long time and would like a home. ☺
