# Community Family Night

## Tues. April 19th, 7pm

Chester Community Family Night will feature a fun filled evening of carnival entertainment! Join us for juggling, magic, illusions, face painting, a dunk tank, popcorn, refreshments and much more.

This annual event is sponsored by Chester Borough & Chester Township Recreation, Chester Library and Chester Township & Borough Police in association with Chester Municipal Alliance and the Governors Council on alcohol and drug prevention. The goal of the program is to carve out one evening in our busy lives to foster creative family interaction and to have a good time! Families enjoy a free night of recreation thanks to the partnership in our community and GCADA. Chester School district has graciously cooperated by making this a homework free evening so all the kids can come out and enjoy the fun! Event held at

Chester Library, 250 W Main Street, Chester. Registration required
