CHESTERSCIENCEFAIR.ORG

Please save this date and join us for a day of hands-on learning for the entire family!

Exhibitors this year include: Nitrogen Magic Show, Rutgers University Students: Food Science and Electrical Engineering challenges , Live Raptors, Maker Space, Science of Optics and Mirrors, Schiff Nature Preserve, Chester Garden Club, Environmental Science, Forensic Science Lab, Animal Science, Guide Dog Breeding and Training with The Seeing Eye and our own Chester STEM faculty engaging our community in 21st century Science and Technology.

Some programs and dates for your consideration:

INFORMATION SESSION: Come to BRMS to discover what the Fair is all about, meet with Science Fair Committee members, see examples of past Science Fair projects, learn about projects requirements and expectations, get some ideas for a project and enjoy an evening of Science. Bring the entire family to this drop in session. **JANUARY 6, 2016 in the BRMS Cafeteria 6:30-8:00pm.** (Snow date 1/7, same time)

MENTORING SESSIONS: **BRMS students** can meet with Mr. Stagg on Tuesdays after school, please contact him at michael.stagg@chester-nj.org to set up a Tuesday mentoring session. For **Dickerson and Bragg students**, please consult chestersciencefair.org, follow the link to “Workshop and Support” to schedule a mentoring session with a Science Fair Committee member at the Chester Library.

Please contact Carolyn Kleppe-Collins with any questions, suggestions or offers of support at ckleppec@gmail.com. No question is too big or too small. See you at The Fair!
