Course Descriptions, in Alphabetical Order

20th Annual Chester Basketball Camp

Teacher: Jim Yankowicz

Dates: JUNE 27 - JULY 1 and/or JULY 25 - 29

Time: 8:30-1:00

Grade(s) Entering: 4-9

Cost: *COST \$210 for 1 Camper; \$400 for 2 campers; \$570 for 3 campers from the same Family. \$380 for all campers registering for both weeks.*

NOTE: \$10 late fee per camper for registration received past June 6, for Week 1 and July 4, for Week 2. Registration includes a Chester Basketball Camp T-Shirt!!!

Minimum/Maximum number of students: 30/unlimited

Description: 20th Annual Chester Basketball Camp, Coach Yankowicz, JUNE 27 - JULY 1 and/or JULY 25 - 29

The Chester Basketball Camp is all about teaching fundamentals designed to develop the camper's skill in every area of play and learn the proper way to play the game. To be a successful player at the HS and College level a player must be able to dribble, pass and shoot the basketball. They must also learn to play hard and develop an understanding of the game. The full day camp includes 6-8 teaching stations and a variety of competitive games where teamwork is emphasized. Players of all ability levels will be challenged, and a basic enjoyment of the game will be the theme throughout the week. We expect campers to learn a great deal about the game of basketball and have lots of fun at the same time! There are many bigger name summer basketball camps, but I guarantee you will not find a better day camp for players of this age anywhere! *COST \$210 for 1 Camper; \$400 for 2 campers; \$570 for 3 campers from the same Family. \$380 for all campers registering for both weeks.*

NOTE: \$10 late fee per camper for registration received past June 6, for Week 1 and July 4, for Week 2. Registration includes a Chester Basketball Camp T-Shirt!!!

America Starts Here

Teacher: Mr. Leckie and Mr. Gray

Dates: July 24

Time: 8:00am-6:00pm

Grade(s) Entering: 7-11. Parents welcome.

Cost: \$59

Minimum/Maximum number of students: 32/48

Description: Take a coach bus to America's most historic city, Philadelphia. Your guided tour will include Independence Hall, The Liberty Bell, Franklin Court, Christchurch and more. See the multi-media presentation "Freedom Rising" at the National Constitution Center and explore this hands on museum dedicated to our Constitution. Price includes

transportation, tour, and entrance into all venues. One hour lunch break at a local food court(lunch not included in price).

Chester Basketball Little Hoops Camp

Teacher: Mr. Jim Yankowicz

Dates: July 5th - July 8nd

Time: 9:00-11:30

Grade(s) Entering: 1-3

Cost: *\$135 for 1 camper, \$245 for 2 campers, or \$345 for 3 campers from the same family*

Minimum/Maximum number of students: 10/30

Description: **Chester Basketball Little Hoops Camp, Mr. Jim Yankowicz, July 5th - July 8nd**

The Little Hoops Camp for Boys and Girls grades 1 - 3 is designed to introduce and develop the young player's fundamental skills. An emphasis is placed on the areas of dribbling, passing and conditioning. Players of all ability levels will be challenged while having fun at the same time. Lay-ups, shooting instruction and simple games will be played at baskets with the heights lowered to accommodate the younger age levels. Teamwork and enjoyment of the game is always stressed.

\$135 for 1 camper, \$245 for 2 campers, or \$345 for 3 campers from the same family

Chester Basketball Shooting Camp

Teacher: Mr. Jim Yankowicz

Dates: July 18nd – 22nd

Time: 9:00-12:00

Grade(s) Entering: 5-10

Cost: *\$150 for 1 camper, \$275 for 2 campers, AND \$390 for 3 campers from the same family*

Minimum/Maximum number of students: 20/50

Description: **Chester Basketball Shooting Camp, Mr. Jim Yankowicz, July 18nd – 22nd**

The Chester Basketball Shooting Camp is designed to develop the camper's skill in the art of shooting a basketball. An emphasis is placed on learning proper technique and shooting form. Players of all ability levels will develop and refine their shooting form. Groups and drills will be designed to benefit all campers. We expect campers to learn a great deal about shooting a basketball and have lots of fun at the same time!

\$150 for 1 camper, \$275 for 2 campers, AND \$390 for 3 campers from the same family

Chester STEM Camp-Robotics Redux-

Teacher: Andrew Gray

Dates: 6/27-6/30

Time:9.-12

Grade(s) Entering: 4th-9th

Cost: \$250

Minimum/Maximum number of students: 5/15

Description: For students who did not attend camp last summer. Throughout the four days campers will build and keep their robotic arms and all-terrain vehicles. Each camper will receive a personalized tool-kit and will have the opportunity to program their robots. Campers will work in groups to build a test track for their all-terrain vehicles. Enroll one camper for a 2nd week of camp and save \$50.00. Enroll two or more campers for one week and save \$75.00. Enroll two or more campers for two weeks and save \$100.

Chester STEM Camp- Engine Technology and Renewable Energy

Teacher: Andrew Gray

Dates: 7/11-7/14 7/25-7/28 8/1-8/4

Time: 9-12

Grade(s) Entering: 4th-9th

Cost: \$250

Minimum/Maximum number of students: 5/15

Description: Throughout the four days students will engage in hands-on learning in the following fields and projects. Renewable Energy: Salt water powered monster truck with transparent engine case/ Solar powered boat, motorcycle, and robot. Campers will work in groups to build a test track for their monster truck. **Additional projects are available for students interested in attending multiple weeks.** Enroll one camper for a 2nd week of camp and save \$50.00. Enroll two or more campers for one week and save \$75.00. Enroll two or more campers for two weeks and save \$100.

Cloud Camp for Parents - Yes for PARENTS (and one student)

Teacher: Laura Garrison, BRMS Instructional Tech Coach and Computer Apps Teacher

Dates: Monday, July 25th -Thursday, July 28th

Time: 9:30am-11:30am

Grade(s) Entering: For Parents of Chester Students, you can bring one student entering 3rd-8th grade.

Cost: \$250 (for one adult and one child going into 3rd-8th)

Minimum/Maximum number of adults: 5/12

Description: Finally a class for PARENTS! Have you ever heard about Cloud computing but you have not used it yourself? Our students use Google Apps for Education (GAPE) like Slides, Sheets, Docs and much much more. If you are interested in finding out some of the tools that we use in our everyday classes, this is the class for you! Each participant is required to have a free gmail account. If you bring your child, they will be able to use their school account as well. Topics that will be covered: Google Drive, Google Slides, Google Forms/Sheets and a few more of your choice. Let's get Googly!

Create a Personal Scrapbook

Teacher: Dana Militante

Dates: August 8-11

Time: 9:00-12:00

Grade(s) Entering: 2-6

Cost: \$300

Minimum/Maximum number of students: 4 minimum/16 maximum

Description: We will have fun creating a scrapbook filled with photos and captions of your memories to keep forever! Bring some photos of your life and don't forget your creativity!

Create a Website

Teacher: Mrs. Milli Roskie

Dates: July 18-22, 2016

Time: 9 am - 12 pm

Grade(s) Entering: 4-8

Cost: \$300

Minimum/Maximum number of students: Min 3/Max 10

Description: Students will have an opportunity to create a website using their school Google accounts and any topic that interests them. During the week long program, students will learn how to build a basic foundation for their own personal site, adding text, images, and video unique to their own interests. This program is specifically geared towards students that have a solid foundation of using their Google accounts. Please note that sites will not be public to internet, but will live within the student's Google account and the Chester school district domain.

Creative Writing Is Fun and Fundamental!

Teacher: Mr. Joseph S. Pizzo

Dates: July 25 - 29; August 1 - 5

Time: 9:30 AM - 11:30 AM

Grade(s) Entering: 4-8

Cost: \$250

Minimum/Maximum number of students: 5/25

Description: Every child has a fertile imagination. Therefore, every child is a creative writer. This course provides opportunities for young writers to explore their creativity with writing prompts and mentor texts/videos selected not only to tap into that creativity, but also to release it. Both prose and poetry will be explored. Young writers should bring a laptop or device if they wish to compose electronically.

Field Hockey Camp

Teacher: Mrs. Kathleen Vespignani

Dates: August 1-5

Time: 9:00 am-Noon

Grade(s) Entering: 6-8

Cost: \$250.00

Minimum/Maximum number of students: 8/25

Description: Girls interested in learning about or improving their field hockey skills, rules of the game, specific positions, and enhancing their overall performance are welcome to attend. Drills, endurance, offensive and defensive skills will be covered. Individual technique and team skills will be the focus of our week! Must come with shin guards, cleats, mouth guard and a field hockey stick. Please bring lots of water...we will be practicing outside.

FUNdamentals of Writing

Teacher: Erica David

Dates: July 11 - July 15

Time: 9:30- 11:30

Grade(s) Entering: Entering 3rd, 4th & 5th Graders

Cost: \$275

Minimum/Maximum number of students: Minimum 4/Maximum 12

Description: Enhance your child's writing by expanding their imaginations. The strategies used will be grounded in movement and nature by showcasing students how to become better writers using all of their senses. Mentor texts will also be used to illustrate elements of great writing. Through this program students will learn to plan,

develop, organize and revise and edit their writing. Students will create a piece of fiction, memoir and a poem. Students will also leave with activities and a writer's notebook filled with writing activities to expand their writing over the summer.

Get a Head Start to Honors Algebra II

Teacher: Mr. Jim Yankowicz

Dates: July 11th – July 15th

Time: 9:00-11:30

Grade(s) Entering: 9th or 10th

Cost: \$230

Minimum/Maximum number of students: 5/25

Description: **Get a Head Start to Honors Algebra II, Mr. Jim Yankowicz, July 11th – July 15th**

The course is designed for students about to take Honors Algebra II. The course will begin with a review of the major topics and techniques from Algebra I. The majority of the course will then focus on new concepts for Honors Algebra II.

Imagination Creation Camp

Teacher: Dani Palumbo & Kerri Sheridan

Dates: Session 1: July 25-29 Session 2: August 1-5

Time: 9:00 AM - 12:00 PM

Grade(s) Entering: 1-3

Cost:\$250/child

Minimum/Maximum number of students: Minimum: 5 Maximum: 12

Description: Do you like super cool experiments, crafts, projects and using your imagination? Do you like making things EXPLODE? Do you want to have tons of fun this summer? Well, if you answered yes to those questions, you should attend Miss Palumbo and Miss Sheridan's Imagination Creation Camp! We will do lots of fabulous and exciting science experiments, projects & crafts: design your own awesome tie dye t-shirt, make Dr. Seuss' "Oobleck," homemade bouncy-balls, balloon rocket-ships races, exploding colorful volcanoes made from homemade playdough, marshmallow towers, water balloon fights, cool outdoor activities, soda and Mentos exploding geysers, rainbow density jars, homemade slime, Pop Rocks candy, soda and balloon experiments and much, much more!

Introduction to Ukulele

Teacher: Mr. Al Cerulo

Dates: July 25-28 & August 1-4 (8 total classes)

Time: Classes will be 40 minutes long. Please see description for more details.

Grade(s) Entering: Grades 3-8

Cost: \$200 for class alone, \$325 if ukulele and tuner need to be supplied (no toy ukuleles will be allowed)

Minimum/Maximum number of students: 4+

Description: The ukulele is a fun and easy instrument for students of all ages to begin their musical adventure with. Students enrolled in the course will easily learn some of the most common chord progressions and be playing some of their favorite pop tunes in no time. Classes will be 40 minutes long and have a maximum of 4 students per class. Every effort will be made for students who enroll to be placed in age and experience-appropriate lesson groups. Classes will take place in the morning hours between 9am and 12pm; exact lesson times will depend on enrollment.

Jump Start to Kindergarten

Teacher: Dorianne Taquinto

Dates: July 18 - 22

Time: 9:00 - 12:00

Grade(s) Entering: Kindergarten

Cost: \$250

Minimum/Maximum number of students: 5 minimum/12 maximum

Description: Join me for a week of fun-filled stories, crafts, games and fine motor skills. These activities will help make this learning opportunity an exciting one and will help build your child's confidence for their anticipated return in September!

Jump Start to Second Grade

Teacher: Dana Militante

Dates: July 25-29

Time: 9:00-12:00

Grade(s) Entering: 2

Cost: \$300

Minimum/Maximum number of students: 4 minimum/16 maximum

Description: Come get a jump start on what you will be learning in second grade! We will review math concepts, reading comprehension strategies, and responding to reading (through writing) utilizing movement, songs, read alouds, written work, computer activities, projects, and games! Get ready for some second grade fun!

Minecraft World

Teacher: Mrs. Milli Roskie

Dates: July 18-22, 2016

Time: 12:30 pm - 2:30 pm

Grade(s) Entering: 3-6

Cost: \$200

Minimum/Maximum number of students: Min 3/Max 10

Description: Minecrafters will play in one world (or many) with their peers. Using our MinecraftEDU server, it's not just about students playing in the same world as their peers, they also get to experience being "the teacher" and building a Minecraft world under their rule. This is a casual class where students with like minds can come together to share Minecraft information, challenge each other, and maybe even change their approach to the game.

Newspaper Class

Teacher: Christa Daly

Dates: July 11-15, 2016

Time: 9a-12

Grade(s) Entering: entering 4th, 5th, 6th, 7th

Cost: \$300

Minimum/Maximum number of students: 4

Description: The goal of this class is to review writing skills and strategies, practice research skills, and cooperatively work together. Students will participate in fun and engaging activities, working on such things as generating ideas, using interesting word choice, and incorporating figurative language. The students will pick topics, conduct research and interviews, and finally write and create articles, poems, etc. All work will be published in a student-created newspaper by the end of the session

Oooo Goo, and Stinky Too: Gross Science

Teacher: Nicole Polkowski

Dates: Being offered for 2 separate sessions; July 11-July 14 AND August 1-August 4

Time: 9am-11:30 AM

Grade(s) Entering: 3, 4, 5, and 6; Email Miss Polkowski for exceptions

Cost: \$265 per week per student

Minimum # of students: 4 Maximum # of students: 15

Description: Come and discover the weird and wacky world of science. If you're daring, explore different areas of science with a terrific, slimey, hands-on projects! Chemistry Concoctions, Yucky Biology, Phantasy Physics, and much more will capture your

scientific curiosity. Enjoy science as you never have before! Projects for the week will be a surprise daily! Yucky! Ewww!

PE Fun for Everyone

Teacher: Mr. Russell Schilp

Dates: July 11-14 (Mon-Thur)

Time: 9a-1p

Grade(s) Entering: 4th, 5th, 6th (contact Mr. Schilp for any exceptions)

Cost: \$300/child (contact Mr. Schilp for family discount if you have more than one child who plans to register/attend)

Minimum/Maximum number of students: Minimum: 10 Maximum: 30

Description: Students will engage in an abundance of games and activities. All the PE favorites will be played during the week as well as some new additions. Rest assured you will not only have a great time, but you will also be able to improve/learn lifelong skills that will assist you with becoming a better individual, teammate and opponent. We will focus on the games and activities that are known to be some of the favorites during the school year including, but not limited to: Battleship, Battleball, Yukigassen, American Gladiators, Crossover, and so much more!!! Have a game that you like? Let me know and we'll look to work it into our week! Participants will do some skill practice in the morning to be sure they are familiar with the skills and comfortable performing them. There will be at least 2-3 activities per day leaving little time to rest! No prior skills necessary as all skill levels are welcome. Not only will you have a great time, but you will also improve skills you will use throughout your lifetime: Cooperation, Respect, Teamwork, Sportsmanship, Self-Direction/Awareness, and Leadership to name a few. Bring your smile, energy and enthusiasm! Encourage your friends to come, too!

Pet Pals

Teacher: Mrs. Christine Donlon

Dates: 7/11-15

Time: 9 - 1

Grade(s) Entering: Entering 1st-3rd grades

Cost: \$300

Minimum/Maximum number of students: min 5, max 10

Description: A day camp for kids who love animals! Do you have a future veterinarian or zoologist living with you?! Come and learn all about your favorite pets - dogs, cats, rabbits, fish, frogs, hamsters and guinea pigs! Campers will learn how to take care of pets through interactive learning activities, engaging games, and fun crafts. We will also explore career and volunteer opportunities, pet responsibility, and safety. This

program is designed to foster respect, compassion and kindness towards all living creatures.

Pioneer Camp

Teacher: Melissa Tonnessen

Dates: July 18, 2016 through July 22, 2016

Time: 9:00 am to 12:30 pm

Grade(s) Entering: 2nd through 5th. Contact Mrs. Tonnessen for exceptions

Cost: \$275.00

Minimum/Maximum number of students: Minimum is 5 students; maximum is 15 students.

Description: Learn about the pioneer movement through the stories of Laura Ingalls Wilder. Experience frontier games, crafts, chores and even a one-room schoolhouse. There will be outdoor and water activities, a Christmas in July celebration and so much more. Each day campers will be served a pioneer snack and go home with a variety of crafts and keepsakes. Be sure to read our flyer for details and pictures of last year's camp experience!

Science Camp

Teacher: Jean Gilbert

Dates: 6/27-30, 7/6-9 7/19-22 8/11-14

Time: 9 -12

Grade(s) Entering: 3rd-8th grades

Cost: \$250 (\$200 each session if you sign up for more than 1 session)

Minimum/Maximum number of students: Minimum 3 Maximum - 18

Description: Have fun doing cool hands-on science experiments! Perform experiments from a wide variety of topics such as physics, chemistry, earth science, biology and ecology! Get a head start trying out possible ideas for your science fair project! Enjoy the outdoors for some of our activities. You may sign up for more than one session as the experiments and activities will differ.

Spanish Camp

Teacher: Sra. Werner and Sra. Mullen

Dates: August 1 - 5

Time: 9:30 - 1:30

Grade(s) Entering: 2-8

Cost: \$275

Minimum/Maximum number of students: 5+

Description: Using structured lessons and consistent immersion, students will learn Spanish through games, activities, skits, songs, and much more! Daily activities will incorporate the most important aspects of foreign language acquisition, with summer learning essentials: fun, adventure, and achievement!

Studio Art Camp; Drawing, Painting, and Sculpture Fun!

Teacher: Mrs. Vilagos

Dates: July 5-8

Time: 9:30-1pm

Grades Entering: 3-6

Cost:\$250

Minimum/Maximum number of students: Min 5- Max 20

Description: Our budding artists will be encouraged to develop their art making skills as related to their areas of interests. Some days we will paint and draw "En Plein Air" (what we see outside!) and other days we will work from our imagination to get really creative! From building sculptures, to drawing with pencil, this studio class will be open to a variety of art making materials. Be sure to pack a lunch and snack as we will be working up an appetite!

Summer All-Subject Olympics

Teacher: Dana Militante

Dates: August 1-5

Time: 9:00-12:00

Grade(s) Entering: 2-5

Cost: \$300

Minimum/Maximum number of students: 4 minimum/16 maximum

Description: Did you know the Olympics starts on August 5th?? Join us as we compete in athletic events just like real Olympians! We will also learn about some of the countries participating in the Olympics this year through movement, art, music, math, reading, writing, and the internet! Come "LIVE YOUR PASSION!" (Portuguese: Viva sua paixão)

“The Sound of Music”

Teacher: Mrs. Kathy Snow

Dates: July 11-15

Time: 9:00-11:30

Grade(s) Entering: 1-4

Cost: \$275/child

Minimum/Maximum number of students: minimum 5; maximum 15.

Description: Explore the wonderful world of Rodgers & Hammerstein's “The Sound of Music.” We will sing the songs, watch the movie, discuss the plot, read from the script, analyze the score, read about the characters, and even have an Austrian snack every day. Students should bring their own drink each day for snack time.

Summer Survivor - Mad Scientist Week

Teacher: Brian Seely

Dates: July 26 - July 28

Time: 9:00 - 1:00

Grade(s) Entering: 3 - 6

Cost: \$200

Minimum/Maximum number of students: 1 minimum/no maximum

Description: Does your child love science? Students will dive headfirst into the scientific method and conduct a variety of fun, engaging, and exciting science activities. Students will take a field trip to Seton Hall Prep in West Orange, New Jersey to conduct experiments with a real scientist in a real laboratory

Topic Focus:

Social Studies: Famous scientists throughout time

Math: Addition/subtraction, multiplication/division, geometry, units of measurement, data collection/tables, probability, and many more

Science: Force and motion, the five-senses/sweet science, crazy chemistry, earth science, and many more!

Language Arts: Non-fiction literature, how-to writing

Technology: Using a Chromebook, incorporating a variety of apps

Summer Survivor - Math in Action Week

Teacher: Brian Seely

Dates: August 9 - August 11

Time: 9:00 - 1:00

Grade(s) Entering: 3 - 6

Cost: \$200

Minimum/Maximum number of students: 1 minimum/no maximum

Description: Does your child need a quick refresher course in math before the new school year starts? Perhaps your child is looking for new challenges or to enhance his/her math abilities. Math in Action week will meet all of your child's needs. Through active participation in a variety of game-based reinforcement and enrichment activities, your child will be able to sharpen his/her math skills and abilities in a fun-filled environment.

Topic Focus:

Social Studies: Famous mathematicians and mathematical principles

Math: Topics TBD based on student sign-ups

Science: Juice-box geometry, geometry and science of goal scoring, magic squares and plus more

Language Arts: Math in poetry, math in music

Technology: Math games on Chromebook

Summer Survivor - Olympic Week

Teacher: Brian Seely

Dates: July 12 - July 14

Time: 9:00 - 1:00

Grade(s) Entering: 3 - 6

Cost: \$200

Minimum/Maximum number of students: 1 minimum/no maximum

Description: Children will have the opportunity to learn about the history of the Olympics and sports in depth during this camp. Through individual and group-based games, lessons, and activities, children will gain a solid understanding of the history of some of the world's most exciting games as well as a newfound appreciation for their favorite country, sports, teams, and athletes.

Topic Focus:

Social Studies: History of the Olympics and sports around the world

Science: The art of exercise/stretching, how do we burn calories?, potential/kinetic energy

Math: Addition/subtraction, multiplication/division, statistics, units of measurement,

telling time, numeration, and much more!

Language Arts: Reading/writing biographies of famous athletes and letter writing to famous athletes

Technology: Using a Chromebook to collect, record, and organize data, pedometers, stop watches

<http://seelybrian.wix.com/summer-survivor>

Summer Survivor - Woodshop (Week 1)

Teacher: Brian Seely

Dates: July 19 - July 21

Time: 9:00 - 1:00

Grade(s) Entering: 4 - 8

Cost: \$300

Minimum/Maximum number of students: 1 minimum/10 maximum

Description: By building a variety of fun projects, children will learn a wide range of valuable carpentry skills such as measuring, fractions, sawing, drilling, rasping, sanding, shaping, assembly, painting/staining. Hand-in-hand with these practical skills comes a wide variety of other worthy concepts such as abstract reasoning, applied mathematics, problem solving, craftsmanship, fine motor skills, respect for tools, and patience.

Students will create their very own birdhouse, make their own wooden sofa cup holder, create a family name sign, and design and create a "buddy-bench" for Bragg School.

*Students will be provided with all necessary safety equipment

Topic focus:

Social Studies: architecture throughout history

Math: Addition/subtraction, multiplication/division, measurement, geometry, and many more!

Science: Focus on engineering, recycling/conservation, and physics.

Language Arts: Non-fiction and how-to writing

Technology: Using a Chromebook with a variety of apps

<http://seelybrian.wix.com/summer-survivor>

Summer Survivor - Woodshop (Week 2)

Teacher: Brian Seely

Dates: August 2 - August 4

Time: 9:00 - 1:00

Grade(s) Entering: 4 - 8

Cost: \$300

Minimum/Maximum number of students: 1 minimum/10 maximum

Description: By building a variety of fun projects, children will learn a wide range of valuable carpentry skills such as measuring, fractions, sawing, drilling, rasping, sanding, shaping, assembly, painting/staining. Hand-in-hand with these practical skills comes a wide variety of other worthy concepts such as abstract reasoning, applied mathematics, problem solving, craftsmanship, fine motor skills, respect for tools, and patience. Students will create a set of sawhorses (a must-have for any workshop), a handmade skateboard, and a "buddy-bench" for Bragg School.

Topic focus:

Social Studies: architecture throughout history

Math: Addition/subtraction, multiplication/division, measurement, geometry, and many more!

Science: Focus on engineering, recycling/conservation, and physics.

Language Arts: Non-fiction and how-to writing

Technology: Using a Chromebook with a variety of apps

You will receive an email confirmation once your registration has been processed, as well as a reminder and update prior to the start of the program. If you have any questions, please contact the teacher directly. All teacher email addresses follow the same format:

firstname.lastname@chester-nj.org

Please list below any other adult permitted to pick up your child besides a parent. Only those listed below will be permitted to pick up your child. If you need to add someone to the list, please contact the teacher or send a note with your child.

Name: _____

Phone #: _____

Name: _____

Phone #: _____

For the safety of your child:

Please be ready to show some form of identification to a staff member when picking up your child. Also, please remind those who may pick up your child that we may require I.D. If someone not listed above is picking up your child, please send a written note on the day of pick-up.

Terms of Enrollment:

1. No refunds or credits will be issued for withdrawals or program changes (including weeks or days attended).
2. Enrolling for additional weeks is always subject to availability. Please inform teacher as soon as possible if you would like to sign up for additional weeks.
3. There are no refunds or credits due to illness, absence, suspension or emergency closing.
4. All payments are due in full each by June 1, 2016. Campers with an open tuition balance may not attend camp and no refunds or credits will be issued. There is a \$30 charge for returned checks.
5. Permission is granted for my child to participate in all Summer Enrichment activities.
6. Teachers of Summer Enrichment Classes reserve the right, in their sole discretion, to suspend or dismiss any Camper if his or her conduct is detrimental to the well-being of the Camp or of any other Camper(s) and no refunds or credits will be issued.
7. I agree to drop off my child on time. I also agree to pick up my child at time of dismissal.
8. I understand that a nurse will not be available and will not hold any teacher/counselor/school district employee responsible for any injuries that may occur while on school property.
