

Our main focus is RESPECT:

1. respecting others' *belongings* as well as our own
2. respecting others by *listening* to others when they are talking
3. respecting our *classroom* by keeping it organized and running smoothly
4. respecting others by *raising our hand* when we have something to share
5. respecting ourselves by doing our *best work* in school and at home
6. respecting our *parents* when they are helping us with our homework
7. respecting our *teacher* by paying attention when we are being taught something
8. respecting our *specials teachers* by learning various subjects and acting appropriately during class
9. respecting *individuality* in everyone by not bullying
10. respecting *work time* so that we do not have to visit the Quiet Room to complete assignments
